

Dear Parents/Guardians

Your student is taking Chemistry this year at Summit Academy High School. A disclosure statement outlining the content of this course, my expectations, and class rules are posted on the chemistry page of the SAHS Canvas app. I invite you to review this disclosure so that you are fully aware of the requirements of this class for your student. To acknowledge that you and your student have reviewed this disclosure I would ask you to complete and have your student return to me the following form no later than August 28, 2018. Thank you so much and do not hesitate to contact me if you have questions.

I _____, have read the Chemistry
